

A faint, stylized red dragon is visible in the background of the top text block.

Waking this morning
I vow with all beings
To Realize everything without exception
Embracing the ten directions

A faint, stylized blue dragon is visible in the background of the bottom text block.

Going to bed tonight,
I vow with all beings
To calm all things
Making the mind clear
and pure

Before Eating

As we take food and drink
I vow with all beings
to rejoice in zazen
being filled with delight in the Dharma.

After Eating

As we have taken food and drink
I vow with all beings
to be filled with virtuous practice
completing the ten powers.
